Personal Profile

Self-driven web developer with very good teamwork skills and get along well with others. I have built good organisational skills and have reinforced my ability to stick to deadlines. I can work under pressure and have a logical and rational mind that allows me to think things through very carefully.

I am currently working as an IT Assistant at Friendly Soft Solutions where I've been doing various tasks such as maintaining client websites and making changes to existing web pages according to the clients' needs.

I am always looking for new opportunities to better my skills, and have been learning ReactJs along with, NodeJs, MongoDB, HTML5, and CSS3.

Key Skills

ReactJs	Javascript (ES6)
NodeJs(Express)	MongoDB
HTML5 & CSS3 (SASS)	PHP (Laravel)
Version Control	MySQL
Microsoft Office, including Access, Excel, Word and PowerPoint	Excellent communication
